SUMMARY

Passionate Full-Stack Developer with a knack for crafting seamless user experiences and scalable solutions. Bringing expertise in Python, Salesforce, HTML, CSS, JavaScript, ReactJS, NodeJS, and MongoDB to innovate and deliver high-quality projects on time.

WORK EXPERIENCE

Full Stack Web Developer, Cuvette Tech   **Jul 2023 - Feb 2024**

- I have independently completed multiple full-stack projects within set deadlines, earning commendable scores for each. These projects, detailed in the "Projects" section of my resume, showcase my expertise in HTML, CSS, JavaScript, ReactJS, NodeJS, and MongoDB.

Salesforce Developer, SmartInternz   **Jul 2022 - Oct 2022**

- Completed SmartInternz modules covering a range of topics, including Salesforce technology.
- Achieved Trailhead-Ranker status and received certification for internship, demonstrating proficiency in Salesforce through completion of badges on Trailhead and attainment of Ranger rank.

AI/ML Developer, All India Council for Technical Education (AICTE)   **Feb 2022 - Apr 2022**

- Acquired proficiency in machine learning methodologies and techniques during AI/ML internship.
- Successfully applied machine learning algorithms to real-world datasets, demonstrating practical knowledge and understanding in the field.
